(Discuss importance in terms of historical or architectural context as defined by theme, period, and geographic scope. Also address integrity.)

The structure is located in the City of Huntington Park, in a small scale residential area. The structures are vernacular in style and are very non-descript architecturally.

The integrity of this property is low. Additionally, it is not a particularly good example of the architectural style or of a method of construction. Research of available historical records has not uncovered any significant associations of the occupants.
